STATE ATTORNEY

March 21, 2005

Major Miguel A. Guzman
Troop Commander
Florida Highway Patrol
1299 W. Lantana Road
Lantana, Florida 33465

Dear Major Guzman,

I want to express my gratitude for being included at the awards ceremony and luncheon for Troop L. It was a rare treat to see so many troopers praised and applauded for their service and dedication to the citizens of the State of Florida. It was an honor and privilege for me to be included in this celebration. As a prosecutor I have had the opportunity to work with many law enforcement officials and based on those experiences I am continually impressed with your leadership and genuine care and concern for the troopers that work for you. Your administration of Troop L has been nothing but positive and productive.

To that end, the addition of Captain Ramil has been a tremendous benefit to the Lantana District. His positive outlook has won him remarkable respect from the troopers. Every time I have had to approach him about an issue, whether large or small, he has been efficient and effective in its resolution. His tireless efforts in trying to maintain a good working relationship with the State Attorney's Office have certainly assisted in the successful prosecution of many important cases.

In closing, I want to thank you for your continued support of my efforts at the State Attorney's Office. I am fortunate to have the opportunity to work with leaders such as yourself and Captain Ramil. Additionally, I am forever grateful for the efforts that you both made to ensure that I was recognized by MADD for my work in DUI Prosecutions. The MADD ceremony in Tallahassee and the FHP ceremony last week certainly made my last seven years of hard work worth it.

Warmest Regards,

Elizabeth L. Parker
Deputy Chief of County Court
